Financial Condition

Interim Report (September 30, 2026)

The Company employed total assets of Php5,434,875,321 financed by total liabilities of Php2,450,620,133 and total stockholders' equity of Php2,984,255,188. Noncurrent assets amounted to Php4,273,195,536 consisting of deferred exploration costs, investment properties, property and equipment, intangible assets, right-of-use assets, and other noncurrent assets. Current assets stood at Php1,161,679,785.

Material Changes - Increase/ Decrease of 5% or more (September 30, 2026 vs. December 31, 2025)

- ***Cash*** - As of September 30, 2026 and December 31, 2025, this account amounted to Php17.50 million and Php31.03 million, respectively, representing a decrease of Php13.53 million or 43.60% change. Cash used in operating activities amounted to Php96.80 million; cash used in investing activities amounted to Php11.99 million; while cash used in financing activities amounted to Php98.35 million. The said cash flow collectively represents the net decrease in cash during the financial reporting period. Despite total revenue surging by 68%, the cash position slumped by 43% by virtue of the Php12.00 million procurement of new hauling equipment for mining operations as well as reduction of the total loan portfolio by Php98.35 million.

- ***Receivables - net*** - As of September 30, 2026 and December 31, 2025, this account amounted to Php152.99 million and Php188.31 million, respectively, representing a decrease of Php35.32 million or 18.75% primarily due to collections of receivables.

- ***Contract assets*** - As of September 30, 2026 and December 31, 2025, this account amounted to Php351.30 million and Php481.00 million, respectively, representing a decrease of Php129.70 million or 26.96%. primarily due to collection of receivables.

- ***Other Current Assets*** - As of September 30, 2026 and December 31, 2025, this account amounted to Php209.31 million and Php193.06 million, which shows an increase of Php16.24 million or 8.41%. The increase was primarily attributable to higher input VAT and creditable withholding taxes during the period.

- ***Intangible assets -net*** - As of September 30, 2026 and December 31, 2025, this account amounted to Php1.32 million and Php1.62 million, respectively, representing a decrease of Php0.30 million or 18.75%, primarily due to the amortization expense recognized during the period.

- ***Trade and other payables -*** As of September 30, 2026 and December 31, 2025, this account amounted to Php715.26 million and Php666.78 million, respectively, representing an increase of Php48.49 million or 7.27%. The increase was mainly attributable to higher outstanding obligations to suppliers, contractors, and service providers. However, a decrease in accrued operating expenses was noted compared with the previous year.

- **Short-term loans** - As of September 30, 2026 and December 31, 2025, this account amounted to Php127.71 million and Php201.57 million respectively, representing a decrease of Php73.86 million or 36.64% due to partial settlement of outstanding loans.

- **Contract Liabilities** - As of September 30, 2026 and December 31, 2025, this account amounted to Php7.28 million and Php6.55 million respectively, representing an increase of Php0.73 million or 11.08% primarily attributable to additional payments and advances received from real estate customers for the ongoing projects.

- **Loans payable – current portion** - As of September 30, 2026 and December 31, 2025, this account amounted to Php247.06 million and Php167.13 million respectively, representing an increase of Php79.93 million or 47.83%. The increase was mainly due to the availment of additional loans for business development and working capital requirements.

- **Loans payable – net of current portion** - As of September 30, 2026 and December 31, 2025, this account amounted to Php236.72 million and Php341.14 million respectively, representing a decrease of Php104.42 million or 30.61%, primarily due to the partial settlement of long-term loans and the reclassification of certain loan balances to current liabilities.

- **Retained Earnings**- As of September 30, 2026 and December 31, 2025, amounted to Php401.10 million and Php486.70 million, respectively, representing a decrease of Php85.60 million or 17.59%, primarily due to the net loss incurred during the period.

Results of Operation

A comparative review of the Company's financial operations for the year-to-date ending September 30, 2026 vis-a- vis the same period last year showed the following (material changes - increase/ decrease of 5% or more):

- **Revenues** - The Group's revenue for the year-to-date period ended September 30, 2026 pertains to the real estate sales and mining-related services which posted an increase of Php29.22 million or 68.86%, primarily due to the continued ore-hauling activities and the ongoing development of new real estate projects with the corresponding revenue recognized based on their percentage of completion.

- **Cost of sales and services-** increased by Php11.37 million or 33.41% due to higher costs associated with real estate sales and ore-hauling activities.

- **Gross Profit-** increased by Php17.89 million or 209.85% primarily due to improved revenue from ore-hauling operations and higher profit margin.

- **General and administrative expenses** - reduced by Php32.77 million or 27.32% due to successful cost savings on professional fees, transportation, entertainment, and recreation expenses.

- **Other income (charges)** – decreased by Php3.74 million or 6.24% due to lower interest expenses resulting from the reduction of the total loan portfolio.

For assessing impairment of goodwill, a test of impairment is performed annually or when circumstances indicate that the carrying value may be impaired.

Discussion of Material Events/Uncertainties Known to Management that would Address the Past and Impact on Future Operations

a. The Management does not foresee any event that will trigger direct or contingent financial obligation that is material to the Company, including any default or acceleration of an obligation.

b. The Company does not have any material off-balance sheet transactions, arrangements, obligations (including contingent obligations) and other relationships with unconsolidated entities or other persons created during the reporting period.

c. The Management is not aware of any known trends, demands, commitments, events or uncertainties that have had or that are reasonably expected to have a material favourable or unfavourable impact on the company's liquidity, net sales or revenues or income from continuing operations.

d. The Company does not have any significant elements of income or loss that did not arise from the company's continuing operations.

PREMIERE HORIZON ALLIANCE CORPORATION AND SUBSIDIARIES NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

1. General Information

Premiere Horizon Alliance Corporation (PHA or the Parent Company), was registered with the Philippine Securities and Exchange Commission (SEC) on January 13, 1988 and listed in the Philippine Stock Exchange (PSE) on May 5, 1997. The Parent Company's primary and secondary purpose is to engage in business activities relating to entertainment, gaming, hotel, and leisure and to expand to mining and real estate industries, respectively.

On August 10, 2016, the SEC approved the change in the Parent Company's primary purpose to that of an investment holding company and the secondary purpose to engaging in business activities relating to entertainment, gaming, hotel, and leisure.

The Parent Company and its subsidiaries (collectively referred herein as "the Group") is currently involved in mining and real estate activities.

The Parent Company's registered address and principal place of business is at Unit E-1705, 17F, East Tower, Tektite Towers, Exchange Road, Ortigas Center, Pasig City.

As at September 30, 2026 and December 31, 2025, the subsidiaries of the Parent Company, which are all incorporated in the Philippines, are as follows:

8. Summary Report on Deferred Exploration

The Company's two Mineral Production Sharing Agreements (MPSAs) expired on January 16, 2026. However, the applications for the renewal of both MPSAs were filed prior to their expiration and remain under processing by the concerned regulatory authorities. The Company continues to pursue the renewal and extension of both MPSAs and is actively coordinating with the Mines and Geosciences Bureau (MGB) to facilitate their approval.

The Company has completed and submitted the necessary documentary and regulatory requirements to the Mines and Geosciences Bureau Central Office (MGB CO) in support of the pending renewal applications. In addition, the Company has applied for the suspension of its obligations under the MPSAs pending the approval of the renewal applications or until further notice from the MGB.

Meanwhile, the resource validation for the PHMIC MPSA has been completed by the MGB. As of the reporting date, the renewal and extension applications, together with the request for suspension of obligations under the MPSAs, remain pending with the MGB. The Company continues to monitor and follow up on the status of these applications and is awaiting the MGB's official action and further guidance
